

Fully Booked

Come read American Literature
with us!

It's not a seminar. It's not a lecture, either. Fully Booked gives you the opportunity to get to know important works of American literature and discuss them with your peers. Finally a reason to read all those books you've been wanting to read – but didn't want to read just by yourself!

Each book will be introduced by a member of the American Studies department. Then the floor is open. Come join us!
